

THE HEALTH CELL

STATE *of the* INDUSTRY

Thursday, May 11, 2023

6:00 P.M. - 9:00 P.M.

Security Service Event Center

San Antonio's community, industry, and academic leaders convene at The Health Cell's State of the Industry event for an evening that highlights collaboration, innovation, advancement, and accomplishments: the very ideals that are reflected in the iconic Tower of the Americas, a symbol of both our City and The Health Cell.

Five unique storytellers will take center stage and guide us on a journey through what fuels their passion and enables them to push the boundaries of the healthcare and biosciences landscape, and what they are doing to help improve that space over the past year.

The purpose of our annual event is to commemorate our shared history and successes and to celebrate the people who have advanced our ecosystem by hearing their inspirational stories of achievement as they educate and provide us with the inspiration to continue to seek new ways to advance our industry and community.

We cordially invite you to join us in The Health Cell's 10th Annual State of the Industry celebration.

SPONSORSHIP OPPORTUNITIES

The cornerstone of the 2023 sponsorship package will be support of the State of the Industry event which celebrates its tenth anniversary on May 11, 2023.
