

## 2025 Sponsorship Opportunities

Dear prospective sponsor,

We thank you for considering sponsoring The Health Cell.

The Health Cell was founded in 2013 for San Antonio's biotechnology, medical, military and academic leadership to promote professional development and collaboration across the City's health sector.

Our mission is to leverage the collaborative spirit of San Antonio's health and bioscience industry to engage, through unique personal and professional growth, the people who will propel the community toward maximum sector success.

The Health Cell is all about people. At our events, the diversity of the talent, the breadth of the experience, and the extent of the network is impressive and effective.

As a 2025 sponsor, you support our quarterly events throughout the year as well as our 12th Annual State of the Industry flagship event at the Tobin Center for the Performing Arts this fall.

Last year, State of the Industry was held for the first time at the Tobin Center for the Performing Arts. With nearly 500 attendees, it was an evening that highlighted collaboration, innovation, advancement, and accomplishments of the people leading San Antonio's health and bioscience industries.

We hope you join us as a sponsor in 2025 and help us promote the innovations that are taking place in our community.

Sincerely,

Sophie Bardy

President, The Health Cell

# Benefits of Sponsorship

As a sponsor, you will receive recognition throughout 2025 at all scheduled events, on social media, and on The Health Cell website.

The cornerstone of the sponsorship package is support of the State of the Industry event which celebrates its 12<sup>th</sup> anniversary in 2025 at the Tobin Center for the Performing Arts. Your sponsorship also enables us to offer a number of complimentary registrations for local students.
