

2025 Sponsorship Opportunities

Dear prospective sponsor,

We thank you for considering sponsoring The Health Cell.

The Health Cell was founded in 2013 for San Antonio's biotechnology, medical, military and academic professionals to promote collaboration through storytelling across the City's healthcare sector.

Our mission is to leverage the collaborative spirit of San Antonio's health and bioscience industry to engage, through unique personal and professional growth, the people who will propel the community toward maximum sector success.

The Health Cell is all about people. At our events, the diversity of the talent, the breadth of the experience, and the extent of the network is impressive and effective.

As a sponsor, you support our quarterly events throughout the year as well as our 12th Annual State of the Industry flagship event at the Tobin Center for the Performing Arts this fall.

Last year, State of the Industry was held for the first time at the Tobin Center for the Performing Arts. With nearly 500 attendees, it was an evening that highlighted collaboration, innovation, advancement, and accomplishments of the people leading San Antonio's health and bioscience industries.

We hope you join us as a sponsor and help us promote the stories of triumph and innovation that are taking place in our community.

Sincerely,

Brigitta Glick

Founder/President, The Health Cell

Benefits of Sponsorship

As a sponsor, you will receive recognition for twelve (12) months at all scheduled events, on social media, and on The Health Cell website.

The cornerstone of the sponsorship package is support of the State of the Industry event which celebrates its 12th anniversary in 2025 at the Tobin Center for the Performing Arts. Your sponsorship also enables us to offer a number of complimentary registrations for local students.

For more information or to become a sponsor, visit <https://thehealthcell.org/sponsors/> or email info@thehealthcell.org.

There are several levels of Sponsorship to consider:

	Innovator \$10,000	Investor \$6,500	Partner \$3,500
